Please indicate when you will be joining the market this season:

- Full Season (\$50) Special Market Day (\$10) Per Week (\$5)

Market will be set up behind Thayer Pizza Inn. There is no commitment or time requirements for set up, but the market will be a greater success the more vendors set up together. This will draw in a larger crowd. If you are going to be selling food, please see the Missouri/USDA requirements for selling at a farmer's market.

The Market has the right to refuse acceptance of a vendor who does not meet the required local, state, or federal guidelines for the sale of their products.
